## ABOUT VIVISECTION.

NOT PRACTICED IN THE NORFOLK HIGH SCHOOL.

The humane societies of the United States are making strong efforts to prevent vivisection when not absolutely necessary. It is said that many per sons, simply for personal amusement, experiment with live insects and dumb brutes in a minner that borders on barbarism.

A FALSE RUMOR

A FAISE RUMOR.

It has been rumored and reported to the Soriety for the Prevencion of Cruelty to Animals that one of the teachers in the High School had been operating upon live insects and animals for the enlightenment of her class.
